

<p>GROUP 1</p>	<p>If eligible and enrolled in Medicare, member is automatically enrolled into UT CARE. * if age 65 by February 1, 2023</p>
<p>GROUP 2</p>	<p>If any member of group number one is also enrolled in another Medicare Advantage plan, UT CARE will be their plan going forward because Medicare keeps the last plan elected and only allows enrollment in one MA plan at a time.</p>
<p>GROUP 3</p>	<p>If automatic enrollment into UT CARE is not successful because a federal requirement was not met, member is placed into the UT SELECT plan that pays 20%. The member also defaults into ESI commercial prescription, if not eligible for EGWP.</p>
<p>GROUP 4</p>	<p>If living internationally for more than six months, the member cannot use Medicare. They can remain enrolled and pay for Medicare, and many do to maintain the continuous payment and not incur a penalty in the future. This group can have UT SELECT and the plan will pay the claim as a regular UT SELECT member with applicable co pays, deductibles, etc.</p>

IF ANY OF GROUPS ONE, TWO OR THREE ABOVE DECIDE NOT TO HAVE UT CARE OR UT SELECT 20% (IF ELIGIBLE), THEY WILL NOT HAVE ANY UT MEDICAL, PRESCRIPTION, OR BASIC RETIREE LIFE.

NOTE: Medicare enrollment and eligibility rules are determined by the CMS federal guidelines.
