Research Funding Report

Required by Article III, Section 61, General Appropriations Act, 86th Legislature
Fiscal Year 2020

Sec. 61. Research Funding Reporting Requirement. Each general academic institution and health related institution shall report, by December 1 of each year of the biennium, to the Legislative Budget Board and Governor, the following information:

(a) The amount of research funds awarded to the institution in the prior fiscal year, from appropriations made elsewhere in this Act, from the following, listed individually by source of funding: 1. Core Research Support; 2. Texas Research University Fund; 3. Comprehensive Research Fund; 4. Available National Research University Fund; 5. Texas Research Incentive Program; 6. Governor's University Research Initiative; and the 7. Cancer Prevention and Research Institute of Texas.

(b) For each individual award granted to an institution under programs listed in Subsection (a), the amount of funding, if any, provided to an institution from an external source as a matching award amount.

Notes -

CPRIT amounts do not include prevention grants. Amounts reported for matching awards only include those funds provided to the institution from an external source. Certain institutions matched CPRIT with internal sources.

UT San Antonio reduced its FY 2020 Core Research Support by 5% as part of the institution's plan to meet state-required reductions. The actual amount expended was \$4,955,052.
