SECTION 1

INTRODUCTION

1.1 Description of The University of Texas System

For more than 130 years, The University of Texas System has been committed to improving the lives of Texans and people all over the world through education, research and health care.

The University of Texas System is one of the nation's largest systems of higher education, with [14 institutions](#) that educate more than 230,000 students. Each year, UT institutions award more than one-third of all undergraduate degrees in Texas and almost two-thirds of all health professional degrees. With about 20,000 faculty – including Nobel laureates – and more than 80,000 health care professionals, researchers, student advisors and support staff, the UT System is one of the largest employers in the state.

Life-changing research and invention of new technologies at UT institutions places the UT System among the [top 10 “World’s Most Innovative Universities,”](#) according to Reuters. The UT System [ranks eighth in the nation in patent applications](#), and because of the high caliber of scientific research conducted at UT institutions, the UT System is ranked No. 1 in Texas and No. 3 in the nation in federal research expenditures.

In addition, the UT System is home to three of the nation's National Cancer Institute Cancer Centers – UT MD Anderson, UT Southwestern and UT Health Science Center-San Antonio – which must meet rigorous criteria for world-class programs in cancer research. And the UT System is the only System in the country to have four Clinical and Translational Science Awards (CTSA) from the National Institutes of Health.

Transformational initiatives implemented over the past several years have cemented UT as a national leader in higher education, including the expansion of educational opportunities in South Texas with the opening of The University of Texas Rio Grande Valley in 2015. And UT was the only system of higher education in the nation that established not one, but two new medical schools in 2016 at The University of Texas at Austin and UT Rio Grande Valley.

University of Texas institutions are setting the standard for excellence in higher education and will continue to do so thanks to our generous donors and the leadership of the [Chancellor](#), [Board of Regents](#) and [UT presidents](#).

1.2 Background and Special Circumstances

The University of Texas System currently self-funds a group health insurance plan for eligible employees, retirees and dependents. Compliance under the Patient Protection and Affordable Care Act (PPACA), Consolidated Omnibus Reconciliation Act (COBRA) and Section 125 are critical to the administration of the UT System Group Insurance Program-a non-ERISA program. In the Spring of 2013 UT System sought information from several consulting firms for consulting service for the PPACA, COBRA, and other federal laws and requirements around benefits program administration. The services

were sought for assistance with infrequent inquiries ranging from questions about ACA or COBRA interpretation and/or assistance with specific individual situations. OEB contracted with a vendor for consulting services to continue ongoing plan operations when legal and compliance questions arise that are outside the knowledge of our Office of General Counsel. The decision was made after careful consideration of the cost, value and vendor's ability to meet the needs of OEB and the institutions and the reputation and experience with other state and local agencies.

1.3 Objective of Request for Proposal

The University of Texas System is soliciting proposals in response to this Request for Proposal No.720-2009 (this "**RFP**"), from qualified vendors to provide Employee Benefits Consulting Services (the "**Services**") more specifically described in **Section 5** of this RFP.

1.4 Group Purchase Authority

Texas law authorizes institutions of higher education (defined by [§61.003, Education Code](#)) to use the group purchasing procurement method (ref. §§[51.9335](#), [73.115](#), and [74.008](#), *Education Code*). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer under this RFP. In particular, Proposer should note that University is part of The University of Texas System (**UT System**), which is comprised of fourteen institutions described at <http://www.utsystem.edu/institutions>. UT System institutions routinely evaluate whether a contract resulting from a procurement conducted by one of the institutions might be suitable for use by another, and if so, this RFP could give rise to additional purchase volumes. As a result, in submitting its proposal, Proposer should consider proposing a pricing model and other commercial terms that take into account the higher volumes and other expanded opportunities that could result from the eventual inclusion of other institutions in the purchase contemplated by this RFP. Any purchases made by other institutions based on this RFP will be the sole responsibility of those institutions.

SECTION 2

NOTICE TO PROPOSER

2.1 Submittal Deadline

University will accept proposals submitted in response to this RFP until 2:30 p.m., Central Standard Time (“**CST**”) on Thursday, March 19th, 2020 (the “**Submittal Deadline**”).

2.3 Criteria for Selection

The successful Proposer, if any, selected by University through this RFP will be the Proposer that submits a proposal on or before the Submittal Deadline that is the most advantageous to University. The successful Proposer is referred to as “**Contractor**.”

Proposer is encouraged to propose terms and conditions offering the maximum benefit to University in terms of (1) service, (2) total overall cost, and (3) project management expertise.

The evaluation of proposals and the selection of Contractor will be based on the information provided in the proposal. University may consider additional information if University determines the information is relevant.

- B. Ability of University to comply with laws regarding purchases from persons with disabilities.

2.3.2 Scored Criteria

- B. Vendor Experience (25%);
- C. Services and Administration (10%);
- D. Deviations (5%)

2.4 Key Events Schedule

Issuance of RFP	Wednesday, February 26 th , 2020
Pre-Proposal Conference (ref. Section 2.6 of this RFP)	9 a.m. CST on Tuesday, March 3 rd , 2020
Deadline for Questions / Concerns (ref. Section 2.2 of this RFP)	2:30 p.m. CST on Thursday, March 5 th , 2020

2.5 Historically Underutilized Businesses

- 2.5.1 All agencies of the State of Texas are required to make a good faith effort to assist historically underutilized businesses (each a “HUB”) in receiving contract awards. The goal of the HUB program is to promote full and equal business opportunity for all businesses in contracting with state agencies. Pursuant to the HUB program, if under the terms of any agreement or contractual arrangement resulting from this RFP, Contractor subcontracts any of the Services, then Contractor must make a good faith effort to utilize HUBs certified by the Procurement and Support Services Division of the Texas Comptroller of Public Accounts. Proposals that fail to comply with the requirements contained in this **Section 2.5** will constitute a material failure to comply with advertised specifications and will be rejected by University as non-responsive. Additionally, compliance with good faith effort guidelines is a condition precedent to awarding any agreement or contractual arrangement resulting from this RFP. Proposer acknowledges that, if selected by University, its obligation to make a good faith effort to utilize HUBs when subcontracting any of the Services will continue throughout the term of all agreements and contractual arrangements resulting from this RFP. Furthermore, any subcontracting of the Services by Proposer is subject to review by University to ensure compliance with the HUB program.
- 2.5.2 University has reviewed this RFP in accordance with [Title 34, Texas Administrative Code, Section 20.285](#), and has determined that subcontracting opportunities (HUB and/or Non-HUB) are probable under this RFP. The HUB participation goal for this RFP is **26%**.
- 2.5.3 A HUB Subcontracting Plan (“HSP”) is required as part of, *but submitted separately from*, Proposer’s proposal. The HSP will be developed and administered in accordance with University’s Policy on Utilization of Historically Underutilized Businesses and incorporated for all purposes.

*Each Proposer, **whether self-performing or planning to subcontract**, must complete and return the HSP in accordance with the terms and conditions of this RFP. Proposers that fail to do so will be considered non-responsive to this RFP in accordance with [§2161.252, Government Code](#).*

Questions regarding the HSP may be directed to:

Contact: Kyle Hayes
HUB Coordinator
Phone: 512-322-3745
Email: khayes@utsystem.edu

Contractor will not be permitted to change its HSP after the deadline submittal date unless: (1) Contractor completes a new HSP, setting forth all modifications requested by Contractor, (2) Contractor provides the modified HSP to University, (3) University HUB Program Office approves the modified HSP in writing, and (4) all agreements resulting from this RFP are amended in writing to conform to the modified HSP.

Instructions on completing an HSP

Proposer must visit <https://www.utsystem.edu/offices/historically-underutilized-business/hub-forms> to download the most appropriate HUB Subcontracting Plan (HSP) / Exhibit H form for use with this Request for Proposal. Proposer will find, on the HUB Forms webpage, a link to “[Guide to Selecting the Appropriate HSP Option](#)”. **Click on this link and read the Guide first before selecting an HSP Option.** Proposer shall select, from the four (4) Options available, the Option that is most applicable to Proposer’s

subcontracting intentions. These forms are in **fillable** PDF format and must be downloaded and opened with *Adobe Acrobat / Reader* to utilize the fillable function. If Proposer has any questions regarding which Option to use, Proposer shall submit the question via Bonfire portal.

Proposer must complete the HSP, then print, sign and scan *all pages* of the HSP Option selected, with additional support documentation*, **and submit via Bonfire portal.** NOTE: signatures must be “wet” signatures. Digital signatures are not acceptable.

Any proposal submitted in response to this RFP that does not have a corresponding HSP meeting the above requirements may be rejected by University and returned to Proposer as non-responsive due to material failure to comply with advertised specifications.

Each Proposer’s HSP will be evaluated for completeness and compliance prior to opening the proposal to confirm Proposer compliance with HSP rules and standards. Proposer’s failure to submit one (1) completed and signed HUB Subcontracting Plan **to the Bonfire portal** may result in University’s rejection of the proposal as non-responsive due to material failure to comply with advertised specifications.

***If Proposer’s submitted HSP refers to specific page(s) / Sections(s) of Proposer’s proposal that explain how Proposer will perform entire contract with its own equipment, supplies, materials and/or employees, Proposer must submit copies of those pages with the HSP sent to the Bonfire Portal. In addition, all solicitation emails to potential subcontractors must be included as backup documentation to the Proposer’s HSP to demonstrate Good Faith Effort.** Failure to do so will slow the evaluation process and may result in DISQUALIFICATION.

2.6 Pre-Proposal Conference Call

University will hold a pre-proposal call at 9 a.m., Central Time on Tuesday, March 3rd, 2020.

Call-in number: (877)226-9790

Participant Code: 6269693#

SECTION 3

SUBMISSION OF PROPOSAL

3.1 Proposal Validity Period

Each proposal must state that it will remain valid for University's acceptance for a minimum of one hundred and twenty (120) days after the Submittal Deadline, to allow time for evaluation, selection, and any unforeseen delays.

3.2 Terms and Conditions

3.2.1 Proposer must comply with the requirements and specifications contained in this RFP, including the Agreement (ref. **APPENDIX TWO**), the Notice to Proposer (ref. **Section 2** of this RFP), Proposal Requirements (ref. **APPENDIX ONE**) and the Specifications and Additional Questions (ref. **Section 5** of this RFP). If there is a conflict among the provisions in this RFP, the provision requiring Proposer to supply the better quality or greater quantity of services will prevail, or if such conflict does not involve quality or quantity, then interpretation will be in the following order of precedence:

3.2.1.1. Specifications and Additional Questions (ref. **Section 5** of this RFP);

3.2.1.2. Agreement (ref. **Section 4** and **APPENDIX TWO**);

3.2.1.3. Proposal Requirements (ref. **APPENDIX ONE**);

3.2.1.4. Notice to Proposers (ref. **Section 2** of this RFP).

SECTION 4

GENERAL TERMS AND CONDITIONS

The terms and conditions contained in the attached Agreement (ref. **APPENDIX TWO**) or, in the sole discretion of University, terms and conditions substantially similar to those contained in the Agreement, will constitute and govern any agreement that results from this RFP. If Proposer takes exception to any terms or conditions set forth in the Agreement, Proposer will submit redlined **APPENDIX TWO** as part of its proposal in accordance with **Section 5.2** of this RFP. Proposer's exceptions will be reviewed by University and may result in disqualification of Proposer's proposal as non-responsive to this RFP. If Proposer's exceptions do not result in disqualification of Proposer's proposal, then University may consider Proposer's exceptions when University evaluates the Proposer's proposal.

SECTION 5

SPECIFICATIONS AND ADDITIONAL QUESTIONS

5.1 General

The minimum requirements and the specifications for the Services, as well as certain requests for information to be provided by Proposer as part of its proposal, are set forth below. As indicated in **Section 2.3** of this RFP, the successful Proposer is referred to as the “**Contractor.**”

5.2 Additional Questions Specific to this RFP

Proposer must submit the following information as part of Proposer’s proposal:

If Proposer takes exception to any terms or conditions set forth in the Agreement (ref. **APPENDIX TWO**), Proposer must redline **APPENDIX TWO** and include **APPENDIX TWO** as part of its Proposal. 5.3 Scope of Work

UT System seeks the assistance of a consultant (“**Contractor**”) in consulting and counseling UT System Office of Employee Benefits regarding advice about the development and ongoing management of PPACA, COBRA, and other related state and federal laws that are outside the scope of UT System Office of General Counsel. UT System is seeking consultative advice, not legal advice. Fees will be determined on a time-and-materials basis in accordance with Proposer’s billing rates, and shall include travel time and expenses. As a historical reference, the types of questions and advice needed have been handled through phone calls and e-mail exchange. Contractor will invoice UT System monthly for the time incurred on UT System’s behalf and UT System will pay such invoices within thirty (30) days upon receipt of a satisfactory and itemized invoice.

The work to be provided by Contractor shall consist of the following:

- Understand the unique aspects of the UT System Group Health Insurance Plan, the diverse types and categories of employees that make up University workforce;
- Understand the higher education landscape, program design, and general policies for plan administration;
- Develop communications strategy for UT System HR Offices and eligible population on state and federal laws to avoid incurring penalties;
- Provide resources to overall benefits administration when UT institutions acquire or purchase clinics, hospitals and other entities where there is a transition of employees into University’s workforce;
- Provide advice on defining and identifying UT System employee population for whom UT System and its institutions may be responsible for providing health care coverage as an employer under PPACA other than employees already deemed eligible for coverage under [Chapter 1601 of the Texas Insurance Code](#). This does not include work to find such employees but rather advice on which employees to include; and

- Travel to Austin for necessary UT System conferences and meetings as needed (at least one time a year for the annual conference. Other travels are possible on as-needed basis).

5. Explain in detail the services that will be available to System, including communications materials and participation of the Proposer's personnel at employee/retiree meetings during annual enrollment periods.

 - The Proposer's turnover rate over the past twelve (12) months for account manager/executive positions.

Deviations (5%)

7. Identify any provision in Proposer's response that does not conform to the standards described in the RFP. For each deviation, provide specifics and a detailed explanation as to how the provision differs from the RFP standards and why.

SECTION 1

GENERAL INFORMATION

1.1 Purpose

University is soliciting competitive sealed proposals from Proposers having suitable qualifications and experience providing services in accordance with the terms, conditions and requirements set forth in this RFP. This RFP provides sufficient information for interested parties to prepare and submit proposals for consideration by University.

By submitting a proposal, Proposer certifies that it understands this RFP and has full knowledge of the scope, nature, quality, and quantity of the services to be performed, the detailed requirements of the services to be provided, and the conditions under which such services are to be performed. Proposer also certifies that it understands that all costs relating to preparing a response to this RFP will be the sole responsibility of the Proposer.

PROPOSER IS CAUTIONED TO READ THE INFORMATION CONTAINED IN THIS RFP CAREFULLY AND TO SUBMIT A COMPLETE RESPONSE TO ALL REQUIREMENTS AND QUESTIONS AS DIRECTED.

1.2 Inquiries and Interpretations

University may in its sole discretion respond in writing to written inquiries concerning this RFP and mail its response as an Addendum to all parties recorded by University as having received a copy of this RFP. Only University's responses that are made by formal written Addenda will be binding on University. Any verbal responses, written interpretations or clarifications other than Addenda to this RFP will be without legal effect. All Addenda issued by University prior to the Submittal Deadline will be and are hereby incorporated as a part of this RFP for all purposes.

Proposers are required to acknowledge receipt of each Addendum as specified in this Section. The Proposer must acknowledge all Addenda by completing, signing and returning the Addenda Checklist (ref. **Section 4** of **APPENDIX ONE**). The Addenda Checklist must be received by University prior to the Submittal Deadline and should accompany the Proposer's proposal.

Any interested party that receives this RFP by means other than directly from University is responsible for notifying University that it has received an RFP package, and should provide its name, address, telephone and facsimile (**FAX**) numbers, and email address, to University, so that if University issues Addenda to this RFP or provides written answers to questions, that information can be provided to that party.

1.3 Public Information

University will select Contractor by using the competitive sealed proposal process described in this Section. Any proposals that are not submitted by the Submittal Deadline or that are not accompanied by required number of completed and signed originals of the HSP will be rejected by University as non-responsive due to material failure to comply with this RFP (ref. **Section 2.5.4** of this RFP). Upon completion of the initial review and evaluation of proposals, University may invite one or more selected Proposers to participate in oral presentations. University will use commercially reasonable efforts to avoid public disclosure of the contents of a proposal prior to selection of Contractor.

University may make the selection of Contractor on the basis of the proposals initially submitted, without discussion, clarification or modification. In conducting negotiations, University will use commercially reasonable efforts to avoid disclosing the contents of competing proposals.

University may discuss and negotiate all elements of proposals submitted by Proposers within a specified competitive range. For purposes of negotiation, University may establish, after an initial review of the proposals, a competitive range of acceptable or potentially acceptable proposals composed of the highest rated proposal(s). In that event, University may defer further action on proposals not included within the competitive range pending the selection of Contractor; provided, however, University reserves the right to include additional proposals in the competitive range if deemed to be in the best interest of University.

After the Submittal Deadline but before final selection of Contractor, University may permit Proposer to revise its proposal in order to obtain the Proposer's best and final offer. SAMPLE AGREEMENT
(INCLUDED AS SEPARATE ATTACHMENT)

AGREEMENT BETWEEN UNIVERSITY AND [CONTRACTOR NAME]

This Agreement between University and Contractor (**Agreement**) is made and entered into effective as of _____, 2020, (**Effective Date**), by and between **The University of Texas System**, an agency and institution of higher education established under the laws of the State of Texas (**University**) and _____ ("**Contractor**"), a _____ Corporation, Federal Tax Identification Number _____.

University and Contractor hereby agree as follows:

1. Scope of Work.

- 1.1 The work to be provided by Contractor to System with respect to the Project shall consist of the following:
 - Advice on defining and identifying the System employee population for whom System institutions may be responsible for providing health care coverage as an employer under the PPACA, other than employees already eligible for coverage under Chapter 1601 of the Texas Insurance Code.
 - Defining and implementing the required measurement period for the employees identified referenced in section above.
 - Assistance in defining the type of employee who qualifies for an exchange and possibly premium assistance.
 - Assistance in determining potential penalties that may be incurred by System institutions due to enrollment of employees who enroll in insurance exchanges created under the PPACA.
 - Development of a communication strategy for System Human Resources offices and eligible population on PPACA to avoid incurring penalties under the PPACA.
- 1.2 Contractor will obtain, at its own cost, any and all approvals, licenses, filings, registrations and permits required by federal, state or local, laws, statutes, regulations and ordinances (collectively, **Applicable Laws**), for the performance of Work.

2. Purpose.

University currently self-funds a group health insurance plan for eligible employees, retirees and their eligible dependents. Eligibility is determined by state law. University anticipates that the federal Patient Protection and Affordable Care Act (PPACA), may require UT institutions to provide healthcare coverage to certain employees who are not eligible to participate in the University group health insurance plan. University has determined that it will benefit from the assistance of Contractor in assessing the potential impact of the PPACA on these UT institutions.

3. Time for Commencement and Completion.

The term (**Initial Term**) of this Agreement will begin on June 1st, 2020 and expire on May 31st, 2023. University will have the option to renew this Agreement for one (1) additional three (3) year term (a **Renewal Term**). The Initial Term and each Renewal Term are collectively referred to as the **Term**.

4. Contractor's Obligations.

- 4.1 Contractor will perform Work in compliance with (a) all Applicable Laws, and (b) the Board of Regents of The University of Texas System *Rules and Regulations* (<http://www.utsystem.edu/offices/board-regents/regents-rules-and-regulations>); and the policies of The University of Texas System (<http://www.utsystem.edu/board-of-regents/policy-library>); (collectively, **University Rules**). Contractor represents and warrants that neither Contractor nor any firm, corporation or institution represented by Contractor, or anyone acting for the firm, corporation or institution, (1) has violated the antitrust laws of the State of Texas, [Chapter 15, Texas Business and Commerce Code](#), or federal antitrust laws, or (2) has communicated directly or indirectly the content of Contractor's response to University's procurement solicitation to any competitor or any other person engaged in a similar line of business during the procurement process for this Agreement.
- 4.3 Contractor will call to University's attention in writing all information in any materials supplied to Contractor (by University or any other party) that Contractor regards as unsuitable, improper or inaccurate in connection with the purposes for which the material is furnished.
- 4.4 University at all times is relying on Contractor's skill and knowledge in performing Work. Contractor represents and warrants that Work will be accurate and free from any material defects. Contractor's duties and obligations under this Agreement will not be in any way diminished by reason of any approval by University. Contractor will not be released from any liability by reason of any approval by University.
- 4.5 Contractor will, at its own cost, correct all material defects in Work as soon as practical after Contractor becomes aware of the defects. If Contractor fails to correct material defects in Work within a reasonable time, then University may correct the defective Work at Contractor's expense. This remedy is in addition to, and not in substitution for, any other remedy for defective Work that University may have at law or in equity.
- 4.6 Contractor will maintain a staff of properly trained and experienced personnel to ensure satisfactory performance under this Agreement. Contractor will cause all persons connected with Contractor directly in charge of Work to be duly registered and licensed under all Applicable Laws. Contractor will assign to the Project a designated representative who will be responsible for administration and coordination of Work.
- 4.7 Contractor represents and warrants it is duly organized, validly existing and in good standing under the laws of the state of its organization; it is duly authorized and in good standing to conduct business in the State of Texas; it has all necessary power and has received all necessary approvals to execute and deliver this Agreement; and the individual executing this Agreement on behalf of Contractor has been duly authorized to act for and bind Contractor.

interests, licenses, liens, charges and other restrictions; (iv) Work Material will not infringe upon or violate any patent, copyright, trade secret, trademark, service mark or other property right of any former employer, independent contractor, client or other third party; and (v) the use, reproduction, distribution, or modification of Work Material will not violate the rights of any third parties in Work Material, including trade secret, publicity, privacy, copyright, trademark, service mark and patent rights.

5. The Contract Amount.

- 5.1 Fees will be determined on a time-and-materials basis in accordance with Contractor's billing rates, and shall include travel time and expenses. Contractor estimates these fees to be \$ _____.
- 5.2 The Contract Amount includes all applicable federal, state or local sales or use taxes payable as a result of the execution or performance of this Agreement.

PROJECT: Employee Benefits Consulting Services
RFP NO: 720-2009
OWNER: The University of Texas System Administration
TO: Prospective Bidders

This Addendum forms part of Contract Documents and modifies Bid Documents dated February 26th, 2020 with amendments and additions noted below.

Questions and Answers:

1. Question: When was the incumbent contract with Gallagher first entered?

Answer: *In May 2013.*

2. Question: Could you provide the spending amount for the contract with Gallagher?

Answer: *This is the information the vendor may request through Open Records Office at: <https://www.utsystem.edu/offices/general-counsel/open-records>*

3. Question: Are these services needed on a continual basis? Will these services be bid out again in the future to follow the base term, or the additional 3-year renewal?

Answer: *See below and in Section 5.1 of the RFP document:*

Contract Term: University intends to enter into an agreement with the Contractor to perform the Services for an initial three (3) year base term, with the option to renew for one (1) additional three (3) years renewal periods, upon mutual written agreement of both parties.

4. Question: The scope includes “Provide resources to overall benefits administration when UT institutions acquire or purchase clinics, hospitals and other entities where there is a transition of employees into University’s workforce.” Please confirm that the resources being requested are consulting support to advise UT benefits administration staff with information/guidance on how to effectively transition new employees into the University’s workforce within the guidelines of state and federal law, or clarify if UT System has a different expectation for the level of support in these situations.

Answer: *Correct. This is consultative advice only. For example, one of UT System's medical institutions recently moved all Residents (5th year medical students) from their medical foundation 501(c)(3) to be employees of the medical institution. There were compliance questions around what COBRA plan to offer the residents who were not offered employment opportunities at the institution given the foundation was dissolving and therefore, there was no longer a foundation health plan.*

5. Question: **Based on the pre-bid conference call, it is our understanding that this engagement is primarily, if not solely, for services to be provided by the selected consultant if and when UT System has a specific need, and at that point of need reaches out to the consultant for support, to be billed on a time and materials basis. Is there any expectation regarding any proactive, ongoing consulting or other support (e.g. notification of new state and federal laws and their implication, etc.)?**

Answer: *Typically it will be UT System reaching out to the consultant when needed; however, if there are new laws or interpretations of laws that could have a significant impact on the University's program and you are aware due to past conversations that the information would be good to share, UT System would appreciate receiving this information. It is not expected that the consultant holds the responsibility of notifying UT System on the changing landscape of state and federal regulations. The UT System prefers to be billed on a quarterly basis as described in Section 6, page 11 which overall equates to a set annual fee.*

6. Question: **The project scope includes understanding the unique aspects of the UT System Group Health Insurance Plan, the diverse types and categories of employees that make up University workforce and the higher education landscape, program design, and general policies for plan administration. Please confirm that UT System will be providing the information necessary for us to build this foundational level of knowledge and that we will be updated as changes are made to ensure our knowledge base, to support effective compliance consulting, is current.**

Answer: *It is our expectation that a consultant has history and knowledge of the diverse workforce and challenges that face a public university system. Once a contract is awarded, UT System expects to orient the consulting firm to "fill in" information but it is our expectation that the consultant come to the table with vast knowledge of self-funded, state run university programs.*

7. Question: **Can you confirm the number of hours per month that UT System expects to utilize a consultant for compliance services?**

Answer: *The amount will vary based on business needs and any changes in federal law. UT System anticipates an average of two (2) hours per month.*

8. Question: **Are you comfortable with a quarterly frequency for billing of services?**

Answer: *Yes, a quarterly billing frequency is compliant with Section 6 of the RFP.*

9. Question: **Is it your intent to have the cost for participation at your annual benefits conference priced separately from the cost proposed for compliance consulting services?**

Answer: *Yes. If there is a need for a presentation at our Annual Benefits and HR conference, held in June of each year, the cost will be covered as any other guest/keynote speaker and outside of this consulting contract.*
