U. T. Austin: Approval of charter renewal application for The University of Texas Elementary School

RECOMMENDATION

The Chancellor concurs in the recommendation of the Executive Vice Chancellor for Academic Affairs and President Powers that the U. T. System Board of Regents approve the charter renewal application for The University of Texas Elementary School.

BACKGROUND INFORMATION

The Texas Education Agency application for renewal of the charter for The University of Texas Elementary School requires at least a majority of the Board of Regents, as the governing body of the charter holder, to certify that it has reviewed the completed application, and during an open meeting, has signed and authorized submission of the application to the Commissioner of Education. The application is attached on Pages 2 – 25.

The U. T. System Board of Regents authorized the original charter application and delegated the oversight of day-to-day operations to the institutional president who further delegated supervision to The University of Texas Elementary School Management Board. The School opened in August 2003, with 115 students in grades prekindergarten through first grade. With a capacity of 260 students, the School obtained its goal of serving students in grades prekindergarten through fifth in Fall 2007. These students live in one of five zip codes in Austin and are from predominantly underrepresented and low socioeconomic families. The University of Texas Elementary School provides them with the opportunity to learn in a research-based demonstration school that partners with faculty researchers and university students from academic schools and colleges at U. T. Austin. As a result of The University of Texas Elementary School students' performance on the Texas Assessment of Knowledge and Skills (TAKS) test in Spring 2007, the School earned an exemplary rating under the Texas accountability system. It is the only school in the east area of Austin to receive such recognition.

The charter renewal process is composed of reviews by five divisions of the Texas Education Agency. Three specific areas of accountability (student performance, business operations and fiscal management, and compliance) are examined. The completed application must be received by the Texas Education Agency no later than April 30, 2008, to renew the charter for the next three to five years.

Section III. Organizational Chart

Submit, as Attachment 1, the organizational chart for the charter school that specifies the administrative positions including title and name of individual currently in the position.

Submit, as Attachment 2, a chart that identifies all other entities under the direction of the charter holder. This would include entities and/or programs that the charter holder governs/manages in addition to the charter school.

Section IV. Admissions Policy

- A. Specify the period during which applications for admission are accepted. *TEC, §12.117, requires that a charter school establish a reasonable application deadline for the submission of applications for admission.*

Beginning of Period (Month/Day)	End of Period (Month/Day)
March 3, 2008	April 18, 2008

- B. If the school admits students by lottery when the number of admissions applications received exceeds the number of available spaces, describe the procedures followed in conducting the lottery.

Type Below:

If applications from eligible students for any grade level exceed available openings, a lottery is conducted to randomly select applicants to fill spaces. The lottery is conducted in a public meeting by the Principal of the school and overseen by the Registrar. All eligible applicants are assigned numbers, and the numbers are placed in a bucket. The Principal of the school draws numbers until all available openings are filled. The remaining numbers are drawn and placed on a waiting list in the order selected in case a vacancy occurs.

- C. If the school utilizes a lottery when oversubscribed, are any categories of applicants exempted from the lottery?

Check One:

Yes

No

Not applicable (because lotteries are not utilized)

If "Yes" was indicated in C above, state the categories of applicants that are exempted.

Type Below:

Returning UTES students and siblings of current students are exempt from the lottery and automatically admitted to the school.

- D. If the school utilizes a lottery when oversubscribed, specify the approximate date on which a lottery will be conducted.

Approximate Date of Lottery

(Month/Day)

May 13, 2008

- E. If the school does not utilize a lottery when oversubscribed, but rather fills the available positions in the order in which applications were received before the expiration of the application deadline (i.e., a "first-come, first-served" admission process), describe the manner in which the school notifies the community of the opportunity to apply for admission. *TEC, §12.117, requires a charter school that uses a first-come, first-served admission process when oversubscribed to publish a notice in a newspaper of general circulation not later than the seventh day before the application deadline.*

Type Below:

E. is not applicable since the school uses a lottery when oversubscribed.

F. If the school has a separate process for re-enrollment, state the process and the timeline to be used.

Type Below:

Students currently enrolled at UTES receive pre-registration forms in mid-February to re-enroll for the next school year. Forms must be completed and returned to the school Registrar by the end of February along with proof of residency in the UTES attendance area (utility bill and official lease) to reserve a slot at the school.

G. State the procedures for processing applications received once the application deadline has passed.

Type Below:

Eligible students who apply to UTES after the application deadline for grades that are full are placed at the bottom of the waiting lists, after those who participated in the lottery, in the order in which the applications are received.

H. Describe the information that an applicant must provide in order to be considered for admission. *Applicants may not be required to provide copies of transcripts or other academic records until after they are offered admission and are enrolling. Furthermore, a student may not be precluded from enrolling due to the charter school's failure to receive information required for enrollment from the student's parent or guardian or previous school. See TEC, §25.002.*

Type Below:

Applicants are required to provide a parent picture identification card (driver license, passport, or residency card), the child's social security card and birth certificate, and proof of residency (utility bill and official lease).

I. The charter holder certifies that the non-discrimination statement required by TEC, §12.111(a)(6) is printed in the school's admission policy. *TEC, §12.111(6) requires that a charter school's admissions policy include a statement that the school will not discriminate in admissions based on gender, national origin, ethnicity, religion, disability, academic, artistic, or athletic ability, or the district the child would otherwise attend.*

Check One: Yes

J. Does the admissions policy either require or permit the school to exclude from admission all students with documented histories of a criminal offense, a juvenile court adjudication, or discipline problems under TEC Chapter 37, Subchapter A as authorized by TEC, § 12.111(a)(6)?

Check One: Yes (The school excludes such students or reserves the right to exclude such students from admissions.)

Student Admissions

The UT Elementary School (UTES) is an open-enrollment charter school serving 20 pre-kindergarten students and 40 students at each grade level from kindergarten through fifth grade. The school is located in East Austin and serves students who live in the 78702, 78721, 78722, 78723, and 78741 zip codes.

Per State law, we do not discriminate in any manner on the basis of sex, national origin, ethnicity, religion, disability, academic, artistic or athletic ability, or the district the child would otherwise attend. We recruit students and families through Explore UT, media advisories, presentations to neighborhood groups, postings in local recreation centers and local churches, and word of mouth. We also hold an Application Night at the school prior to the application deadline for new students to explain the application process and introduce parents and students to the school.

Students currently enrolled at UTES receive pre-registration forms in mid-February to re-enroll for the next school year. Forms must be completed and returned to the school Registrar by the end of February along with proof of residency (utility bill and/or official lease) by the parent/guardian in the UTES attendance area to reserve a slot at the school unless the child is homeless. For a definition of homeless see 42 U.S.C. Section 11302.

Applications for admission for new students are available in early March for anyone interested in attending kindergarten through 5th grade for the next school year. The deadline for submitting an application to be included in the lottery is mid-April. Applications submitted by the deadline are reviewed by the school Registrar to determine whether each application is complete and the student lives in the UTES school attendance area. Applicants are required to provide a parent/guardian picture identification card (driver license, passport, or residency card), the child's social security card (if not available a state number will be issued) and birth certificate, and proof of residency (utility bill and/or official lease). The school requires evidence that a person is eligible to attend the charter school; the board or its designee may make reasonable inquiries to verify a student's eligibility for admission.

The pre-kindergarten application process takes place in July after the new guidelines are released from the Child Nutrition Program. Students must be four years old on or before September 1 and meet state eligibility requirements to receive free pre-kindergarten services. Students are eligible for free pre-kindergarten if they: are economically disadvantaged (qualify for the Child Nutrition Program), speak English as a second language, are homeless, or have a parent on active military duty. If less than 20 students who are eligible for free pre-kindergarten apply, the remaining openings can be filled by tuition-paying families.

If applications from eligible students for any grade level exceed available openings, a lottery is conducted to randomly select applicants to fill spaces. Returning UTES students and siblings of current students are exempt from the lottery and are automatically admitted to the school. The lottery is conducted in a public meeting by the Principal of the school and overseen by the Registrar. All eligible applicants are assigned numbers, and the numbers are placed in a bucket. The Principal of the school draws numbers until all available openings are filled. The remaining numbers are drawn and placed on a waiting list in the order selected in case a vacancy occurs. The lottery for kindergarten through fifth grade is conducted in mid-May. The lottery for pre-kindergarten is conducted in early August.

Eligible students who apply to UTES after the application deadline for grades that are full are placed at the bottom of the waiting lists, after those who participated in the lottery, in the order in which the applications are received.

UTES reserves the right to exclude from admission any students who has a documented history of a criminal offense, a juvenile court adjudication, or discipline problems as outlined in Subchapter A, Chapter 37 of the Texas Education Code.
