OTHER MATTERS

REGENTS' RULES AND REGULATIONS, PART ONE: AMENDMENT TO CHAPTER VI, SUBSECTION 4.73. --Upon motion of Regent Peace, seconded by Regent Ikard, Part One of the Regents' Rules and Regulations was amended by deleting Subsection 4.73 of Section 4 of Chapter VI and by substituting therefor the provision set out below. All necessary rules were suspended and the amendment is effective immediately.

4.73 At the beginning of each semester, each registered student organization or group must file with the appropriate institutional officer an affidavit stating that the organization or group does not, and will not during the semester, have as a member any person who is not either a student or a member of the faculty or staff of the institution. If an organization or group fails or refuses to file the required affidavit, or if, after such reasonable investigation as the institutional head shall deem appropriate (which investigation shall afford the accused registered organization or group a reasonable opportunity to appear and answer the charges against it), the institutional head shall during the semester find that the affidavit is or has become false, and that the organization or group does, in fact, have as a member a person who is not either a student or a member of the faculty or staff of the institution, the institutional head shall immediately cancel the registered status of the organization or group and shall deny to the organization or group any and all privileges to which it would otherwise be entitled as a registered student organization or group. The organization or group may thereafter apply for registration if it becomes eligible to do so.

REGENTS' RULES AND REGULATIONS, PART ONE: AMENDMENT TO CHAPTER VI, SUBSECTION 6.13. --Upon motion of Regent Ikard, seconded by Regent Peace, Part One of the Regents' Rules and Regulations was amended by deleting Subsection 6.13 of Section 6 of Chapter VI and substituting in lieu thereof the provision set out below. All necessary rules were suspended and the amendment is effective immediately.

6.13 Use of Physical Facilities of the University by Registered Student Organizations. --Registered student organizations may use an institution's buildings and/or grounds in compliance with reasonable and nondiscriminatory institutional regulations that shall specify the procedures under which such organizations may reserve the institution's buildings and/or grounds for their use; provided, however, that a registered student organization shall not reserve or use an institution's buildings for any occasion or event that will be attended by more than 3 persons who are neither students nor employees of the institution. For the purpose of the foregoing sentence, members of the

press who are actively engaged in covering the occasion or event and peace officers performing official duties shall not be counted as "persons who are neither students nor employees of the institution." If, after such reasonable investigation as the institutional head shall deem appropriate (which investigation shall afford the accused registered organization a reasonable opportunity to appear and answer the charges against it), the institutional head shall find that a registered student organization has reserved or used an institution's building for an occasion or event that was, in fact, attended by more than 3 persons who were neither students nor employees of the institution, the institutional head shall immediately cancel the registered status of the organization and shall deny to the organization any and all privileges to which it would otherwise be entitled as a registered student organization. The organization may thereafter apply for re-registration if it becomes eligible to do so. Groups of students that are not registered may not use the institution's buildings and/or grounds. Registered student organizations may not enter into joint sponsorship of any on-campus project or program with individuals, groups, or students that are not registered.

ADJOURNMENT. --The meeting was duly adjourned at 6 p. m.
