## 1989-90 SYSTEM-WIDE PERSONNEL PAY PLAN RECOMMENDATION

The Administration of each of the component institutions has made recommendations for adjustments to those classifications utilized at their respective institutions. The Office of the Chancellor concurs in these recommendations which are to be reflected in the 1989-90 System-wide Personnel Pay Plan effective September 1, 1989. The 1989-90 System-wide Personnel Pay Plan Comparative is submitted for approval at this time.

The Personnel Pay Plan is supported by extensive studies which have been conducted by the respective institutional personnel offices. In arriving at the salary ranges, we have taken into account the State Classification Plan and the State Salary Schedule for September 1, 1989, which reflects a general rate increase of 5% with a \$60 floor. Also considered were numerous salary surveys which we have conducted or in which we have participated, pay schedules for other institutions, and prevailing rates in the applicable areas of competition.

Adjustments provide for an increase of 5% with a \$60 per month floor and exceptions for limited classifications. It is felt that the recommended changes reflected in the Personnel Pay Plan are necessary for the University to maintain a competitive position, to fairly compensate our employees providing equality with State pay rates, and to attract qualified applicants in the current market. Each classification has been considered on its own merits and recommendations for adjustments have been made according to the individual requirements of each classification as appropriate.

## OTHER FISCAL ITEMS

Proposed Allocation from PUF Bond Proceeds for Library Special Collection

Based upon a request dated May 9, 1989 from President Wagener, an allocation of \$103,000 from the PUF library special collection reserve is recommended.

The University of Texas at San Antonio has an opportunity to purchase a significant collection of Texana that complements its existing special library collections: the outstanding John Peace collection of Texas materials which focuses on the Texas Republic, with a broader focus on 19th century Texas history; and, the R. D. Warden collection which focuses on Western Americana. The Texana collection will uniquely complement these two collections with little or no duplication of documents. Of special interest in the available collection is the group of Indian treaties between the U.S. and Indian tribes in Texas, which will make the UTSA collection of Indian documents one of the best in the State of Texas.

The asking price of the collection was its appraised value of \$120,000. The university negotiated with the seller to drop the price to \$115,000, of which the UTSA Library has committed \$12,000 in matching funds, leaving a balance of \$103,000 needed to acquire this special collection. The purchase of this available collection will continue U. T. San Antonio's focus on the history of southern Texas and the Southwest which is consistent with the institutional mission "...to emphasize those programs that contribute to the economic, technological, and cultural development of San Antonio and southern Texas." The Peace and Warden collections are widely used by researchers and interested citizens from across the state. The addition of the new collection will enhance the institution's service to its region and to the state as a whole.

In June 1986, \$1 million was appropriated by the U. T. System Board of Regents for special collections. This amount was placed in reserve for institutional requests when unusual acquisition opportunities exist. The reserve now stands at \$732,135.

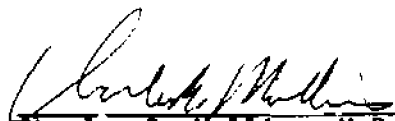

Approved for inclusion in the August 1989 U. T. System Docket.

The Administrative head may allow an employee to take a day off with pay on Martin Luther King, Jr. Day, Monday, January 15, 1990, in lieu of any State Holiday on a weekday for which a skeleton work force is required.

\*Skeleton work force will be on hand.

The Appropriation Bill provides ten and one-half (10-1/2) working days of basic vacation allowance for employees of the State to be accrued on the basis of seven (7) hours per month. All regular staff employees will accrue seven (7) hours of vacation leave for each month employed.

The Appropriation Bill also provides that State employees with long-term service shall accrue additional vacation leave in accordance with the following schedule:

Although all employees are encouraged to utilize vacation in the year which accrued, employees may carry forward unused vacation from one fiscal year to the next. The schedule presented above indicates maximum carry forward authorized by the Appropriation Bill.

An employee will earn vacation entitlement beginning on the first day of employment with the State and terminating on the last day of duty. Credit for one month's accrual will be given for each month or fraction of a month of employment with the State. Vacation with pay may not be granted until the employee has had continuous employment with the State for six (6) months, although credit will be accrued during that period.

This includes motorcycles, mopeds (motor-assisted bicycles) and motor scooters.

4. SPECIFIC CLASSES OF VEHICLES: Decals issued are for four-wheeled vehicles (faculty/staff or student), motorcycles and bicycles. No vehicle larger than 3/4-ton may be registered to park on the University of Texas at Arlington campus.
5. DECAL RESTRICTIONS: Decals issued are as follows:

Hang-Tags [~~Permits~~] (normally valid for 30 minutes) may be obtained from the Parking Office, 700 South Davis, or call 273-3907 for more information.
7. BICYCLE REGISTRATION: As a deterrent to theft, and to aid in prompt identification of a lost or stolen bicycle, the University Police will register an owner's bicycle at no cost if the serial number is provided. Contact UTAPD at 273-3907

A bicycle may be ridden on any campus street or other areas where pedestrians may walk with the following exceptions: inside any building, any landscape improvements not open to pedestrian uses (including malls, flower beds, hedges, shrubbery), and outside areas designated for other than pedestrian use, where official signs prohibit parking or riding. The operator of a bicycle must give right-of-way to pedestrian at all times.

Bicycles MAY NOT be secured to any tree, shrub or plant, stairway or walkway. Bicycle racks are placed at strategic points on campus.

Bicycles MAY NOT be left unattended on any sidewalk, street, driveway, loading zone, fire lane, building porch or patio, or pedestrian walk. No bicycles are permitted in any building owned, operated, or controlled by The University of Texas at Arlington.

Violations of these regulations will result in the bicycle being removed (impounded) to The University Police Department where the owner may retrieve it after showing proper identification.

All violations of campus bicycle regulations are considered traffic violations, and enforcement fees will be assessed accordingly.

8. BICYCLES, MOPEDS (MOTOR-ASSISTED BICYCLES) AND SKATES: Bicycles and mopeds must be operated in accordance with, and skaters must conform to, the ordinances of the City of Arlington, the specific applicable provisions of these regulations, all the provisions of these regulations concerning parking restrictions and traffic control, and applicable State law. Arlington Municipal Ordinances prohibit operation of skates in or on city streets. Operation of bicycles and mopeds is governed by State law.
9. PARKING LOTS: On occasion during the year, certain parking lots may be closed upon recommendation by the Chief of Police and approval by the President of the University.
10. SPEED LIMIT: The speed limit on all parts of the campus, whether on streets or in parking areas, is 15 mph unless otherwise posted. (Section IV)
11. POSTED SIGNS: Posted signs, whether permanent or temporary, must be obeyed at all times and take precedence over painted curbs, pavement markings and designations shown on any University maps.
12. PARKING IMPROPERLY: A vehicle shall not park where angle parking is required in a backed-in position, nor shall a vehicle be parked opposite the flow of traffic in the traffic lane where parallel parking is required. Parking wholly within the marked boundaries of the marked parking space is required at all times. Vehicles shall not park in a manner that obstructs walkways, driveways, loading docks, marked crosswalks, or inflicts damage to shrubbery, trees, grass, grounds or structures. Additionally, no vehicle may park on any unmarked or unimproved [ground] area which has not been marked or designated for parking.
13. REGISTRATION OF MULTIPLE VEHICLES: An alternate vehicle up to three additional vehicles may be registered by paying the required additional fee, and providing proof of ownership of all vehicles. Only one vehicle may park on campus at a time.

Upon notice, violators may be subject to impoundment of their vehicle(s) pending payment overdue charges (Section VIII). Student may also be barred from readmission and have grade reports, diplomas, refunds or official transcripts withheld pending payment of overdue charges (Section VIII). Vehicles may also be impounded for specific impound violations.
15. APPEAL OF CITATION: University parking and traffic citations may be appealed within ten consecutive school [~~five-working~~] days from the date of citation by completing [~~filing~~] a Citation Appeal Form with the U.T.A. Police Parking Office [~~Bursar's Office~~] (see Section IX for detailed procedures). Court Appearance citations are handled by the City of Arlington Municipal Court.
16. VISITOR PARKING: A visitor is defined as a person who is neither a student, an employee of the University, nor is he or she a person who uses campus parking facilities for the benefit of a student or employee. The vehicles of immediate family members are not visitor's vehicles and are required to have a decal unless the student or employee obtains a visitor pass prior to parking the vehicle on campus in accordance with the following guidelines:
  - A. The immediate family of the student or employee must live outside a 50 mile radius of The University of Texas at Arlington campus, or
  - B. Be coming to campus for a special event or activity.

The student or the employeè is responsible and will be held accountable for parking citation(s) issued to vehicles registered to their immediate family. Visitor Parking areas [~~lots~~] are located throughout the campus and include the Parking Garage [~~paid-parking-lot~~]. These areas [~~lots~~] are designated on the parking map and by posted signs. Visitors may, prior to parking on campus, call the Parking Office at 273-3907 to receive information on obtaining temporary hang-tags [~~decals~~] which will enable them to park as a visitor in areas other than the designated visitor parking areas [~~lots~~]. These hang-tags [~~decals~~] must be properly displayed on the rear view mirror of the visitor's vehicle.

17. PEDESTRIAN RIGHTS AND DUTIES: Pedestrians must obey all traffic control devices. Pedestrians have the right-of-way at marked crosswalks, in intersections and on sidewalks extending across a service drive, building entrance or driveway. Pedestrians crossing a street at any point other than within a crosswalk or within an unmarked crosswalk at an intersection shall yield the right-of-way to all vehicles on said street. Pedestrians shall not leave the curb or other place of safety and walk or run into the path of a vehicle which is so close that it is impossible for the driver to yield. Pedestrians may cross an intersection diagonally only where permitted by special pavement marking.
18. INOPERABLE VEHICLES: If a vehicle becomes inoperable, a telephone call shall be placed to the University Police Department at 273-3381. The police will either render assistance or authorize temporary parking. Temporary parking shall not exceed 24 hours and must not create a hazard or obstruction.
19. DORM AND APARTMENT (RENT PROPERTY) PARKING: Residents of University dorms and apartments must purchase a dorm decal for dorms and rent property decal for apartments. They are restricted to parking only in the dorm or apartment parking where they are residents, except after 5:00 [~~3:00~~] p.m. when they can park [~~in-Faculty-#11-(Davis-Hall Parking)-or~~] in any approved faculty or student parking as provided in Part IV, General Traffic Regulations, Section C.
20. CAR-POOL PARKING: Special parking will be provided in Student Lot 90 for student car-pool riders as provided in Part VI Parking Decals [~~Permits~~], Section G, 4. Only one vehicle registered in each car-pool may be on campus at any given time.
21. REMOTE REDUCED-RATE PARKING: Persons desiring to park at Maverick Stadium (Lot 86) or the Athletic Complex (Lot 87) and ride the shuttle bus system between 7:30 a.m. and 5:30 p.m. weekdays, may pay the same rate as for night parking. The night rate is shown in Part VI Parking Decals [~~Permits~~], Table 1. The shuttle bus will run from 7:30 a.m. through 5:30 p.m. at five-minute intervals.
22. PRE-REGISTRATION AND REGISTRATION PARKING: The east portion of Faculty #11 (Davis Hall) parking will be reserved for students the two weeks preceding registration. During this period faculty/staff will be permitted to park in Trinity Dorm parking subject to availability as determined by the Chief of Police. Should Trinity Dorm parking be unavailable, the overflow will go to Faculty 10 east of Cooper Street and south of University Hall.
23. QUALIFICATION FOR NIGHT DECAL: To qualify for the reduced rate night decal, a student must be enrolled only in classes that begin at 5:30 p.m. or later [~~with-500-section-numbers~~]. If a student has one class that begins prior to 5:30 p.m. [~~with-a-day-section-number~~], that student [~~they~~] must purchase [~~have~~] a day decal.

## II. GENERAL PROVISIONS

Pursuant to the authority granted by Section 51.201 et seq., 54.005, 54.503, 65.31 and 68.02 of Title 3 of the Texas Education Code, the Board of Regents of The University of Texas System has promulgated Parking and Traffic Regulations to regulate and control parking and traffic and the use of parking facilities, to provide for the issuance of vehicle identification insignia (parking decal [~~permite~~]), and to provide for jurisdiction over offenses. This booklet contains those regulations and procedures applicable to any person who walks or drives and parks a motor vehicle or bicycle on the campus of The

University of Texas at Arlington. These rules and regulations are supplementary to the ordinances of the City of Arlington and the statutes of the State of Texas which govern pedestrians and the use of motor vehicles and bicycles. These regulations are to ensure the safety of all persons who use the campus to provide for optimum use of limited parking facilities.

The operation of a motor vehicle or bicycle on The University of Texas at Arlington campus is a PRIVILEGE granted by the University and is not an inherent right of any faculty/staff member or student. All faculty, staff, and students who have motor vehicles in their possession or control for use, operation or parking on the University campus must register said vehicle with The University of Texas at Arlington Police Department Parking Office. Registration of a motor vehicle does not guarantee a parking space on campus.

The University is not responsible for fire, theft, damage to, or loss of any vehicle parked or operated on the University campus. No bailment is created by granting of any parking or operating privileges regarding a vehicle on any property owned, leased or otherwise controlled by the University.

The administration and enforcement of the regulations contained in this booklet are as follows:

The Parking and Traffic Committee is a committee appointed by the President of the University. The committee members review and recommend changes to the University Parking and Traffic Rules. The Chief of Police serves as a non-voting advisor to the committee meetings. Faculty, staff, or students desiring a rule change should contact the chairperson of this committee.

The Parking and Traffic Appeals Panel consists of faculty, staff and student members appointed by the President of the University. Persons wishing to appeal a university citation should complete the "Traffic and Parking Appeal Form" located at the U.T.A. Police Department Parking Office.

The Parking and Traffic Administration Office is located at 700 S. Davis Street in the University Police Building under the administration of the Assistant Chief of Police and the Police Chief [~~Vice-President-for-Business Affairs~~].

University Police: The University Police have the responsibility and the legal authority for the enforcement of the Parking and Traffic Regulations listed in this booklet. University police officers may issue university citations or municipal court appearance citations enforceable in municipal court (See Section VIII). On special occasions and emergencies, such parking limitations may be imposed by the Chief of University Police as [are] required by the conditions which prevail. When conditions warrant such action, the Chief may waive parking limitations.

The University Police reserve the right to enforce parking and traffic regulations:

1. through the issuance of University citations and the collection of administrative enforcement charges for offenses;
2. through the impoundment of vehicles interfering with the movement of vehicular or pedestrian traffic or blocking a sidewalk, ramp, loading dock, cross-walk, entrance, exit, fire-lane or aisle; and through the impoundment of vehicles for unpaid charges after proper notice as provided by these regulations.
3. by the suspension or revocation of decals [~~permits~~];
4. by requiring either the vehicle owner or the person who has registered the vehicle with the University Parking Office, to appear in municipal court or at a University hearing for non-payment of outstanding charges;
5. by barring the readmission and withholding the grade reports, diplomas, refunds and official transcripts of any student for non-payment of outstanding charges;
6. by disciplinary action against employees or students who fail to abide by these regulations;

7. by denying parking decals [~~permits~~] to those with overdue charges;
8. by the issuance of municipal court appearance citations requiring an appearance in the appropriate [~~state-or~~] municipal court; and
9. by such other methods as are commonly employed by city governments or state agencies in control of traffic regulation enforcement.

Proof of the fact that any parking or traffic control device, sign, parking meter, signal or marking was actually in place at any location on campus of The University of Texas at Arlington, shall constitute prima facie evidence that the same is official and was installed under the authority of applicable law and these regulations.

When any person is charged with having stopped, parked and left standing a motor vehicle on the campus of The University of Texas at Arlington, in violation of any provision of the Parking and Traffic Regulations of The University of Texas at Arlington, proof that said vehicle was, at the date of the offense, bearing a valid University of Texas at Arlington parking decals [~~permits~~] shall constitute prima facie evidence that said vehicle was then and there stopped, parked and left standing by the holder of the parking decals [~~permits~~]. However, if the vehicle does not bear a valid The University of Texas at Arlington parking decals [~~permits~~], proof that said vehicle at the date of the offense alleged, was owned by an individual is prima facie proof that said vehicle was then and there stopped, parked and left standing by said individual.

The University assumes no responsibility for any vehicle or any duty to protect any vehicle or its contents at any time the vehicle is operated or parked on the campus.

The University may deem a motor vehicle including a motorcycle, [~~or~~] motor scooter, [~~or~~] moped, or bicycle parked on the University campus for more than 48 hours to be abandoned and may dispose of such vehicle as provided in Section 10 of Chapter VII, Part Two of the Regents' Rules and Regulations, or by Article [~~6687-9~~] 4477-9a of Vernon's Civil Statutes. [~~or Sections 5-03-or 5-07-of-the-Arlington-City-Traffic-Code~~]

  1. University citations: This type of citation ~~[which]~~ may be satisfied by payment of the stated enforcement fee to the University Parking Office at 700 S. Davis Street or the Bursar's Office, First Floor, E. E. Davis Hall.
  2. This citation is subject to a right of appeal to the Traffic and Parking Appeals Committee (refer to Section IX Appeals).
  - 3 ~~[B-1]~~. An enforcement and administration fee of \$10.00 will be assessed for each University citation for violators even though they have a ~~[with]~~ properly displayed decal. This fee is payable ~~[The student, staff or faculty member who receives a citation must pay the \$10.00 enforcement fee]~~ at the University Parking Office at 700 S. Davis Street or the Bursar's Office, First Floor, E. E. Davis Hall within ten (10) consecutive ~~[five-(5)]~~ school days from the date of the citation.
  - 4 [2]. An enforcement and administration fee of \$15.00 will be assessed for each University citation for violators improperly displaying the parking decal as outlined in VI. PARKING DECALS ~~[PERMITS]~~ or for displaying a forged or altered decal. The student, staff or faculty member who receives a citation may within ten (10) consecutive ~~[five-(5)]~~ school days from the date of the citation, have the \$15.00 enforcement fee waived if the problem with the decal is corrected and approved by the Parking Office. ~~[After the expiration of five-(5) days, the enforcement fee can be reduced to \$10.00 if the problem is corrected and verified by the Parking Office.]~~ This ten (10) day grace period ~~[reduction]~~ will not apply when a decal is displayed on a vehicle that is not registered to park on The University of Texas at Arlington campus.
  - 5 [3]. An enforcement and administration fee of \$24.00 will be assessed for each University citation issued to any vehicle not displaying a current University parking decal. The student, faculty or staff member will be given the opportunity to register their vehicle in lieu of the first no decal citation enforcement fee if the citation is brought to the University Parking Office within ten (10) consecutive ~~[five-(5)]~~ school days from the date of the citation. All remaining citations will be paid at the full assessment fee.
  - 6 [4]. An enforcement and assessment fee of \$50.00 will be assessed for each University citation for violators illegally parked, stopped or standing in handicap parking.

- 7 [5]. If a student or faculty/staff member receives a citation for not displaying a current University parking decal on a second car that is family-owned, when he or she had previously registered a first vehicle, the enforcement fee of \$24.00 will be reduced to \$10.00 upon the showing of proof that the second vehicle was a family-owned vehicle. In addition to paying the \$10.00 enforcement fee, it will be permissible to register the first and second vehicles with the decal displaying the same decal number [on-a-pool-registration-decal]. A reduction in the enforcement fee will only affect the first citation received for this violation.
- B [6]. The enforcement fees assessed for violation of these regulations constitute an indebtedness to The University of Texas at Arlington. In the event that the privilege to drive and park on the campus has been suspended, such privilege may be reinstated by payment to the Parking Office or Bursar's Office of all unpaid enforcement fees. Should the vehicle be found parked on campus after driver's privileges have been suspended, the vehicle will be towed as per the procedures outlined in Section VIII, Item K.
- D [8]. A person who has failed to pay enforcement fees assessed hereunder shall not be eligible to receive a decal [permit] to drive or park a vehicle on campus until such time as all outstanding enforcement fees have been paid.
- E [9]. Handicap parking spaces are tow-away zones (at owner's expense) for vehicles not bearing a handicap decal.
- F [10]. Parking offenses are recorded [~~either~~] in the name of the individual who has obtained a parking decal for the vehicle, or if no decal has been obtained for the vehicle, parking offenses will be recorded in whose name the vehicle is registered with some official state motor vehicle registration department or agency [~~or-in-the-name-of-the-person who-has-signed-the-financial-responsibility-agreement-for-parking-violation-which-is-on-file-with-the-Parking-Office~~]. Other offenses are recorded in the name of the person driving said vehicle and in the name of the person who has registered it with the Parking Office or who maintains the vehicle. Non-payment of enforcement fees may result in the removal and impoundment of the vehicle. Prior to the vehicle being placed upon the impoundment list for failure to pay past due enforcement fees, the person involved will be notified by letter of action to be taken if all past due enforcement fees have not been paid within ten (10) consecutive school days after the date of the letter, and the procedure for appeal. If the records indicate the vehicle has not been registered with the Parking Office, the notification of unpaid enforcement fees will be sent to the address of such person as shown in the records of the Parking Office.
- G [11]. All charges, including towing and storage, will be assessed to the owner/driver of any impounded vehicle. All assessment fees must be paid prior to the release of the vehicle.
- H [12]. If a person desires to appeal a University citation, he/she shall comply with procedures outlined below within ten (10) consecutive school [~~five-working~~] days after the issuance of the citation.

Requests based solely on alleged non-receipt of [~~a-copy-of~~] the citation will not be honored.

    - (b) a written request is made within ten (10) calendar days to appear before a University hearing committee concerning impoundment of the vehicle in case of faculty, staff, student or visitor, or for barring of readmission and/or withholding of grade reports, diplomas, official transcripts and refunds in the case of students as authorized in the Regents' Rules and Regulations, Part One, Chapter VI, Section 9 and state law, the appropriate enforcement action will take place without further notice.
  2. Such a hearing is not an appeal of the Parking and Traffic citations but is a limited hearing to show that the vehicle in question was not owned, registered or used by the individual or to show that the individual receiving notice of impending sanctions does not have unpaid Parking and Traffic charges.
  3. At such hearing, which will be held after a reasonable period of time, the person requesting the hearing will assume the burden of showing why the appropriate enforcement actions should not take place.
  4. If timely payment is not received and either the registered owner or the person who has registered the vehicle with the University has failed to appear at the requested University impoundment hearing or has appeared and has failed to meet his or her burden of proof, the vehicle will [~~may~~] be impounded pending payment of all outstanding charges, including towing and storage charges, without further notice.
  5. If timely payment is not received from a student and the student has failed to appear at the requested hearing or has appeared and has failed to meet his or her burden of proof, the student may be barred from readmission and grade reports, diplomas, official transcripts and refunds may be withheld, without further notice.
- L [~~M~~]. SUSPENSION OF PRIVILEGE TO DRIVE AND PARK ON CAMPUS: The loss of the privilege of driving and parking a motor vehicle on campus shall commence ten days after the (Parking and Traffic) Office mails a letter to the person, at the address of such person as shown in the records of that office, stating that such person's privilege of driving and parking a motor vehicle on campus had been suspended. Such letter shall state the term of the suspension and will give notification of possible impoundment for parking offenses committed during the period of suspension and shall state the reason for such suspension.
1. Any person who
    - (a) forges or alters a decals [~~permit~~];

- (b) uses a forged or altered decals [~~permit~~];
  - (c) transfers a decals [~~permit~~], affixes a decals [~~permit~~] to a vehicle other than for which it was issued, or fails to destroy a decals [~~permit~~] when required to do so by these regulations with the intention of providing any person with parking privileges he/she is not entitled to under these regulations;
  - (d) provides false information to obtain a parking decals [~~permit~~] with knowledge thereof; or
  - (e) parks or drives a vehicle to which there has been affixed a decals [~~permit~~] which the registered owner, or regular driver, did not purchase, shall lose the privilege of driving or parking on the University campus for six (6) months. While a person's privilege of driving or parking a vehicle on campus is suspended, it is unlawful
    - (1) for that person to drive or park any motor vehicle on the campus and
    - (2) for any person to drive or park a vehicle registered in the name of such person on the campus.
2. If a person whose privilege of driving or parking on campus has been suspended receives a University citation by reason of having a vehicle on campus during the periods of his/her suspension, the period of suspension shall be extended so that it expires twelve months from the date the person received such additional citation. In addition, the violation of the suspension shall be reported to the dean of Students if the person is a student, or to the appropriate Dean, Director of administrative Official for possible disciplinary action if the person is a faculty or staff member.
  3. A person receiving notice that his/her privilege of driving or parking a vehicle on campus has been suspended may appeal the suspension within ten calendar days on the grounds that the imposition of such suspension is improper or will create serious and substantial hardship. Such appeal shall be governed by the provisions above. No appeal shall be considered if there are any unpaid citations outstanding at the time such appeal is filed, unless special arrangements are made with the Parking Office.

M [N]. DESTRUCTION OF DECAL [~~PERMIT~~] WHEN SUSPENDED: Every person receiving notice that his/her privilege of driving or parking on the campus has been suspended shall remove the parking decals [~~permit(s)~~] from every vehicle registered in his/her name and return the remnants thereof to the Parking Office within ten (10) consecutive school [~~twelve-(12)~~] days after the date of such notice. Failure to do so shall be reported to the Dean of Students if the person is a student, or to the Dean, Director or Administrative Office, if the person is a faculty or staff member.

N [O]. ELIGIBILITY TO OBTAIN A NEW DECAL OR HANG-TAG [~~PERMIT~~] DURING PERIOD OF SUSPENSION: A person whose privilege of driving and parking on the campus is suspended and not reinstated, shall be ineligible to receive a parking decals [~~permit~~] of any type or hang-tag during the period of suspension.

O [P]. TWO VEHICLES ON CAMPUS: When an applicant who has registered two vehicles is found to have both vehicles parked on campus at the same time in violation of the Alternate Vehicle Policy, the following shall apply:

1. First Offense - The Parking Office shall notify the decals [~~permit~~] holder that he/she has violated these regulations and that any further violacion will result in the loss of the decals [~~permit~~] for the alternate vehicle. Additionally, any citation(s) which may have been issued are due and payable.
2. Second Offense - The Parking Office shall notify the decals [~~permit~~] holder that he/she has again violated these regulations. Such written notice will inform the decals [~~permit~~] holder that he/she must surrender the decals [~~permit~~] from the alternate vehicle

in addition to making payment for any citation(s) which may have been issued for this offense. Additionally, the decals [~~permit~~] holder shall not be able to register an alternate vehicle for the remainder of the current decals [~~permit~~] year. Failure to abide by this second notice will subject the decals [~~permit~~] holder to all enforcement sanctions.

P [Q]. IMPOUNDMENT: The term "impoundment" includes towing, removal, immobilization, and storage of the vehicle in question.

In addition to any charge that may be levied by the University for an offense resulting in removal or immobilization, the owner of an impounded vehicle must also pay a commercial wrecker service fee and storage charges after the first 24 hours. When an IMPOUND VIOLATION occurs and the owner or driver of the vehicle appears on the scene before the arrival of the wrecker, the vehicle will not be impounded. If the owner or driver appears on the scene after the arrival of the wrecker and the wrecker driver has made a hookup, the following will apply:

1. the vehicle will not be impounded; and
2. the owner or driver will be expected to pay the wrecker fee, in lieu of towing.

If the vehicle is impounded, the registered owner or decals [~~permit~~] holder will be sent notice at the address on file with the Parking Office.

#### IX. APPEALS

The Appeals Board is not a part of the University Police Department but information is included as a courtesy to inform all faculty, staff and students of the right to appeal and the procedure for appealing a University citation.

- A. A person receiving a University citation who believes they have ample justification or mitigating circumstances leading to their receiving a citation should first request an interview with the Assistant Chief of Police and the Chief of Police [~~or-in-his-absence, the Captain~~]. (The purpose for the interview [~~with-the-Chief-of-Police~~] is to review the citation for technical errors which may alleviate the person from any further inconvenience). If, after having the [~~an~~] interview [~~with-the-Chief-of-Police-or-Captain~~] the person has failed to receive satisfaction, [~~it-is-at-this-time-a~~] the person then files for an appeal.
- B. A person receiving a University citation may appeal the citation to the Parking and Traffic Appeals Committee within ten (10) consecutive [~~five-(5)~~] school days from the date of receiving the citation by filing a Parking and Traffic Appeal Form which is available at the Parking Office, 700 S. Davis Street, or the Bursar's Office, First Floor, E. E. Davis Hall. The reason should be given, either to dispute whether the violation occurred at all, or to claim that the action was justified by circumstances. When the hearing is scheduled, the person appealing will be notified of the time and place so that he or she may attend and will be allowed up to five minutes for a personal presentation. If the person appealing is not present, the appeal will be decided on the basis of the written reasons on the Parking and Traffic Appeal Form. Appeals should not be made for the purpose of changing the rules, which are not made by the Appeals Committee, but by the University Parking Committee. The appealing party will be notified, in writing, of the decision.
- C. If the Appeals Committee finds in favor of the University and denies the appeal, the enforcement fees must be paid to the Parking Office or the Bursar's Office within ten (10) consecutive school [~~five-(5)-working~~] days of the notice of the decision of the Appeals Committee.
- D. The decision of the University Appeals Panel will [~~shall~~] be final.

CATALOGUE CHANGES

The following listing summarizes the changes proposed to the Catalogue of The University of Texas at Austin. These catalogue changes have been passed by the University Council, approved by me, and approved by the Executive Vice Chancellor for Academic Affairs. The complete text of the changes can be found in Documents and Proceedings of the University Council, pages 12154-12155, 12156-12157, 12158-12159, and 12160-12163.

College of Liberal Arts Bulletin for 1987-89

<u>Current bulletin page number</u>	<u>Summary of Proposed Change</u>
32, 39	It is clarified that for the BA, Plan I, students must complete a specified number of courses in a foreign language. Previous catalogue wording was not entirely consistent. For the major in Economics, it is added that a student must make a grade of at least C in each course in economics taken at The University and counted toward the major.
45	Course choices to fulfill the logic requirement for students majoring in Philosophy are expanded. Also, an editorial correction clarifies that an optional sequence of courses inserted in BA, Plan I, requirements in an earlier catalogue should apply only to Plan II requirements.
29, 105	It is clarified that policies stated regarding physical activity courses apply to all such courses offered by the Department of Kinesiology and Health Education. An amendment for students majoring in French provides that in order to be successful in the French Honors Program, the Honors Tutorial Course must be completed with at least a grade of B.
38, 39, 41, 46	For the BA, Plan I, there is a redefinition of certain courses required to strengthen the major programs in Anthropology, English, French, Geography, and Scandinavian.

Posted signs, whether permanent or temporary, must be obeyed at all times and take precedence over painted curbs, pavement markings and designations shown on any University maps.

11. PARKING IMPROPERLY

A vehicle shall not be parked on a street where angle parking is required, with the back of the vehicle toward the curb, nor shall a vehicle be parked opposite the flow of traffic in the traffic lane where parallel parking is required. Parking entirely within the marked boundaries of the parking space is required at all times. Vehicles shall not be parked in a manner that obstructs walkways, driveways, ramps, loading docks, marked cross-walks or inflicts damage to shrubbery, trees, grass, grounds or structures. Additionally, no vehicle may park on any unmarked or unimproved ground area which has not been marked or designated for parking. Parking is not allowed where prohibited by signs either permanently or temporarily posted, red or yellow curbs, or other markings on streets and parking lots.  Parking and Traffic Regulations Cont'd

SECTION II  
 GENERAL PROVISIONS

Pursuant to the authority granted by Sections 51.201 et seq., 54.005, 54.503, 65.31, and 71.01 et seq. of Title 3 of the Texas Education Code, the Board of Regents of The University of Texas System has promulgated parking and traffic regulations to regulate and control parking and traffic and the use of parking facilities, to provide for the issuance of motor vehicle identification and insignia (parking permit), and to provide for jurisdiction over offenses.

This booklet contains those regulations and procedures applicable to any person who walks or drives and parks a vehicle on the campus of The University of Texas at San Antonio. [~~These rules and regulations are supplementary to the ordinances of the City of San Antonio and the statutes of the State of Texas which govern pedestrians and the use of motor vehicles and bicycles.~~]

The operation of a motor vehicle or bicycle on The University of Texas at San Antonio campus is a PRIVILEGE granted by The University and is not an inherent right of any faculty/staff member or student. All faculty, staff and students who have vehicles in their possession or control for use, operation or parking on The University campus must purchase a parking permit at the University Police Traffic Office. Purchase of a parking permit does not guarantee a parking place on campus.

The commissioned University Police Officers are vested with all the powers, privileges and immunities of peace officers while on the property and are empowered to enforce all [~~of these~~] applicable laws and the UTSA Parking and Traffic Regulations.

The University is not responsible for fire, theft, damage to, or loss of any vehicle parked or operated on The University campus. No bailment is created by granting any parking or operating privileges regarding a vehicle on any property owned, leased or otherwise controlled by The University.

The administration and enforcement of the regulations contained in this booklet are as follows:

THE UNIVERSITY STANDING COMMITTEE ON PARKING AND TRAFFIC is composed of eight members consisting of two faculty, two staff members, and two students (one graduate and one undergraduate), the Physical Plant Director (ex officio with vote), and the University Police Chief (ex officio without vote). Faculty and staff shall serve two-year terms. Students serve a one-year term. The charge is to review the Parking and Traffic Regulations for The University of Texas at San Antonio and to develop recommendations for revisions in these regulations as are necessary to an efficient parking and traffic system as it relates to differential parking zones, parking fees, penalties for violations of regulations, arrangements for bicycle and motorcycle traffic, and arrangements for pedestrian paths. The major responsibility of the Committee is to meet monthly, or more often as needed, in order to hear the appeals for parking and traffic violations at The University. The Committee shall also meet prior to early registration and regular registration for each semester.

THE CHIEF OF POLICE, University Police Department, shall review all appeals before forwarding the appeals to the chairperson of the Parking and Traffic Committee.

THE TRAFFIC OFFICE, University Police Department, receives and processes all appeals received within [~~five-(5)-working~~] seven (7) calendar days of the date of the ticket and submits all valid appeals to the Chief of Police for review. The Traffic Office maintains files of all parking permits and all campus traffic tickets.

A late penalty fee of \$5.00 will be assessed to each ticket that is not paid, appealed, or otherwise cleared within [~~five-(5)-working~~] seven (7) calendar days of the date of the ticket. SECTION VIII  
 ENFORCEMENT

1. PARKING AND TRAFFIC CITATIONS

University Police are authorized to issue two types of citations for violation of UTSA Parking and Traffic Regulations.

- A. UNIVERSITY CITATIONS - Those handled by The University, subject to University administrative enforcement charges and a right to appeal within The University (Paragraph 5 below).
- B. COURT APPEARANCE (CA) CITATIONS - Those issued by the University Police constituting a summons to appear in either municipal court or a justice court.

2. POLICY WITH RESPECT TO COURT APPEARANCE (CA) CITATIONS

The University reserves the right to issue a CA citation for any violation. It is the general policy of The University, however, to issue CA citations at The University's option:

- A. for moving violations;
- B. for any violation when the individual's driving or parking privileges have been suspended (See Paragraph 6 below); or
- C. when an individual receives a University citation and all reasonable attempts at collection have failed.

3. PROCEDURE FOR UNIVERSITY CITATIONS

University citations are issued for offenses described in Section VII. The administrative enforcement charges are as shown. If the charge is not paid within [~~five-(5)-working~~] seven (7) calendar days after issuance of the citation, a \$5.00 late charge will be assessed.

- A. All outstanding campus traffic citations are retained as part of the permanent records. Multiple violations within one academic year will result in increased fines and/or disciplinary action.
- B. Every person receiving a University citation shall remit the amount of the charge to the University Police Traffic Office. Payment must be received within [~~five-(5)-working~~] seven (7) calendar days after issuance of the citation to avoid a late charge.

If a person desires to appeal a University citation, he/she shall comply with Paragraph 5 below within [~~five-(5)-working~~] seven (7) calendar days after issuance of the citation.

Requests for exceptions to the above referenced working days will be considered on an individual basis if mitigating or unusual circumstances exist. Such requests shall be submitted in writing to the Chief of Police and shall detail the reason(s) such a request is being made. Requests based solely on alleged nonreceipt of a copy of the citation will not be honored.

The University of Texas at San Antonio  
 Parking and Traffic Regulations Cont'd

4. IMPOUNDMENT OF VEHICLES, BARRING OF READMISSION AND WITHHOLDING OF GRADES, DEGREES, OFFICIAL TRANSCRIPTS AND REFUNDS

When unpaid charges are recorded, the University Police Traffic Office shall send a letter by certified mail, return receipt requested, to the owner of the vehicle as determined by a license plate check, as well as the person in whose name the outstanding charges are recorded. ~~[return receipt letter to the last known address of the person in whose name the charges are recorded.]~~

Such letter shall state that unless (1) payment of all accumulated charges is made within ten (10) calendar days after the date of such letter or (2) a written request is made within ten (10) calendar days to appear before a University hearing committee concerning impoundment of the vehicle in case of faculty, staff, student or visitor, or for barring of readmission and/or withholding of grades, degrees, official transcripts and refunds in the case of students, as authorized in the Regents' Rules and Regulations, Part One, Chapter VI, Section 9 and state law, the appropriate enforcement action will take place without further notice.

Such a hearing is not an appeal of the parking and traffic citations but is a limited hearing to allow the individual an opportunity to show that the vehicle in question was not owned, registered or used by the individual or to show that the individual receiving notice of impending sanctions does not have unpaid parking and traffic charges.

At such hearing, which will be held after a reasonable period of time, the person requesting the hearing will assume the burden of showing why the appropriate enforcement action should not take place.

If timely payment is not received and either the registered owner or the person who has a parking permit with The University has failed to appear at the requested University impoundment hearing or has appeared and has failed to meet his or her burden of proof, the vehicle may be impounded pending payment of all outstanding charges, including towing and storage charges, without further notice.

If timely payment is not received from a student and the student has failed to appear at the requested hearing or has appeared and has failed to meet his or her burden of proof, the student may be barred from readmission and grades, degrees, official transcripts and refunds may be withheld, without further notice. Additionally, the vehicle may be subject to impoundment.

5. APPEALS FROM UNIVERSITY CITATION(S)

Any person who has received a University citation may file a request to have the citation reviewed by submitting an appeal to the University Police Traffic Office no later than ~~[five-(5)-working]~~ seven (7) calendar days after the citation was issued. If an appeal is not filed within this time, the citation is deemed final.
