Sec. 4 To ensure that the Regents' *Rules and Regulations* provide the proper degree of autonomy to the U. T. System or any of the institutions, the following guidelines should be considered when drafting or amending the rules:

- 4.1 The rule should help ensure compliance with applicable laws and regulations, promote operational efficiencies, enhance the mission, or reduce institutional risks of the U. T. System or any of the institutions.
- 4.2 The rule should establish a governing principle that has Systemwide application.
- 4.3 The rule should communicate an important governing principle rather than specifying operational detail.
- 4.4 The rule should avoid dictating policy or procedure that could be better determined by an institution.
- 4.5 The rule should avoid restating a law or regulation.

Sec. 5 Every employee has the right to propose changes in policies and procedures and to present arguments in support thereof.

- 5.1 Proposals should originate and follow routines as prescribed in the Regents' *Rules and Regulations* or in an institutional *Handbook of Operating Procedures*.
- 5.2 When a proposal has been approved or amended by the appropriate institutional officials, faculties, and the institution's president, it shall then go to the appropriate Executive Vice Chancellor and the Chancellor for recommendation to the Board if such action is required.
- 5.3 When a proposal has been approved, amended, or rejected by the appropriate institutional officials, faculties, or the institution's president, any employee or group of employees may present an appeal in opposition to the action of the majority or in opposition to the recommendation of the institutional official or the institutional president, and this appeal, accompanied by

reasons for and against the proposal, shall go through the prescribed administrative channels and shall be presented through the appropriate Executive Vice Chancellor to the Chancellor and thence to the Board for final action. The deans and other institutional officials, the institutional president, the appropriate Executive Vice Chancellor, the Chancellor, and the Board may invite both sides for personal conferences and discussions.
