

Rachel Jew, MPAff

Rachel Jew is the Senior Program Manager for the Texas Child Mental Health Care Consortium (TCMHCC), overseeing the Consortium's programs, initiatives, and project staff. She previously served as the Project Manager for TCMHCC's Texas Child Health Access Through Telemedicine (TCHATT) program. Before joining UT System, she managed policy projects and oversaw global strategies to improve job content at Indeed. Rachel has over a decade of public health program and project management experience, primarily at the Texas Department of State Health Services, with expertise in maternal and child health. Rachel also has previous experience in data analysis and program evaluation. She received a master's degree from the University of Texas at Austin LBJ School of Public Affairs and a bachelor's degree from the University of Texas at Austin.
