About UT System

Established by the Texas Constitution in 1876, The University of Texas System consists of nine academic and five health institutions. [The University of Texas System Administration](#) is based in Austin, TX and is responsible for the central management and coordination of the fourteen institutions.

About The Office of The Controller

The Controller's Office at UT System plays a pivotal role in financial management and oversight. Responsible for fiscal integrity, daily financial management, and reporting, we ensure the efficient allocation of resources across the University System Administration.

About the Internship

The University of Texas System Internship (UTSI) is a paid 10-week program that dovetails project-based work experience with a robust [professional development program](#), mentoring and opportunities for self-reflection.

[More Information](#)

Program Goals

- Contribute to UT student career development & success through real work experience
- Develop collaboration skills for a diverse, multi-generational workforce
- Offer hands-on experience in the student's field/function of study
- Provide a safe learning environment for professional development

Learning Objectives

Students will have the opportunity to develop their skills in (1) public speaking, (2) business writing, (3) interpersonal communication & emotional intelligence, (4) project management, (5) networking and (6) technology acumen as well as enhance their understanding of the field of higher education.

Position Description

Dive into a hands-on experience in implementing new technologies, supporting automation initiatives, documenting workflows, and leveraging analytics to optimize processes. Join us in maintaining and improving the financial backbone of excellence in Higher Education, Healthcare, and Research in Texas.
